**BENEFICIARY**

**The Digestive Disease Institute at Virginia Mason** boasts six multidisciplinary Centers of Excellence, each led by a program director who promotes the discovery of new knowledge through research, leads educational initiatives for clinicians and patients, enhances opportunities for continuous quality improvement and develops innovations to advance patient care. The Digestive Disease Institute is internationally known for bringing these accomplished specialists together to achieve unprecedented patient outcomes, productivity and medical advances.

**ENTERTAINMENT**

**The Music of ABBA (Arrival From Sweden)**

ABBA began in 1971 and ended as a group in 1982, but their legacy will live forever through their music. Arrival From Sweden began in 1995 and has become one of the world's most popular and best-selling ABBA show bands. The band has toured over 50 nations and appeared in several TV and radio shows around the world.
